

SUMMER READING 2019

SUMMER SIDEWALK ASTRONOMY

**THURSDAYS, JUNE - AUGUST
7 - 8 P.M. STARGAZING FOLLOWS PROGRAM.
STANDLEY LAKE LIBRARY**

Bring the moon, planets and stars a little closer to home! Local astronomers Aric Vyhmeister and Freddy Cruz offer a fun and informative discussion on space-related topics inside, then head outside for a stargazing session in the fresh air. Refreshments provided.
